

## **Sara Stafford, RN, MSN**

**Sara** is a Progressive Care Certified Nurse and holds an MSN from Sacred Heart University with a focus on the Clinical Nurse Leader. She is newly minted Nursing Professional Development Specialist. Prior to this change, she was the unit educator for the float pool and a clinical nurse IV. Sara is passionate about improving inter-professional collaboration and elevating practice expectations from the nurses at the bedside. In addition to her hospital commitment, she is also the Interprofessional Experience Lead at Stanford University Medical School. Her work entails curriculum development and recruitment of inter-professionals to facilitate the shadowing experience for medical students.
