

William Dunne
Administrative Director
General Services (interim)
UCLA Health

William Dunne is the Administrative Director for General Services with includes Security, Emergency Preparedness, Environmental Health & Safety, Facilities, Parking, Sustainability, and Environmental Services at University of California Los Angeles (UCLA) Health System in Los Angeles, California. He is responsible for overseeing these areas for the four UCLA hospitals, over 180 outpatient clinics, and the David Geffen School of Medicine at UCLA. He provides strategic leadership for the innovation of training, compliance, and collaboration building in all of these disciplines in UCLA Health Sciences as well as across the UC System. He actively engages executive participation and engagement in emergency management, mission (business) continuity, threat management, and risk reduction arenas. He provides ongoing improvements to workplace violence employee programs and training, advances workplace safety education, and develops and fosters community partnerships to collaborate around safety, risk mitigation, and emergency response. He currently chairs the UCLA Health Sciences Threat Assessment Team and previously chaired the UC Behavioral Intervention Team (BIT) Leadership Council. Bill has been with UCLA Health since 2007. He has a Master's Degree in Homeland Defense and Security at the Naval Postgraduate School in Monterey, CA. He is also a graduate of the University of Maryland Baltimore County (UMBC) with Bachelor's and Master's degrees in Emergency Health Services.
