# Announcing our 2018 Keynote Speakers

- ▶ March 26-27, 2018
- ▶ Arrillaga Alumni Center
- ▶ Stanford, California, USA

**Description:** Healthcare Con brings together interdisciplinary professionals from eleven California hospitals and health systems, to inspire, teach, and showcase novel approaches to improving care delivery, professional development, and health outcomes. Educational workshops will be provided on both days which will allow for participants to increase their knowledge in the areas of both research and evidence-based practice.

**Linda Aiken, PhD, RN, FAAN, FRCN**

Dr. Aiken is world renowned for her health policy and health services research; specifically the effects of nursing on patient outcomes. She is the Claire Fagin Leadership Professor of Nursing at the University of Pennsylvania and is a member of the Sigma Theta Tau international Nurse Researcher's Hall of Fame.

**Sue Hassmiller, PhD, RN, FAAN**

Dr. Hassmiller received her doctorate in health policy from George Mason University and is currently the senior adviser for nursing for the Robert Wood Johnson Foundation. In collaboration with AARP, she directs the *Future of Nursing: Campaign for Action*—a 50 state initiative to enact the IOM's Future of Nursing report.
